Subj: LETTER OF APPRECIATION

1. It gives me great pleasure to extend my sincere appreciation for your outstanding efforts to the Test Parachutist Disestablishment Ceremony on 1 June 2005. Your unselfish contribution to the ceremony was instrumental and without your help we would not have been successful. Your advice on the program was invaluable. Your group amazed our team by working under time constraints to print over two hundred and fifty programs for this special event.
2. You and your teams' professionalism and dedication reflect credit upon yourself and the tradition of the United States Naval Test Parachute Branch. Please accept my sincere appreciation for a job "WELL DONE"!
